ANNUAL REPORT
OF THE
ELECTION DEPARTMENT
FOR THE YEAR 1951.

BOSTON, January 31, 1952.

HON. JOHN B. HYNES,
Mayor of the City of Boston.

SIR,— In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

REGISTRATION.

In accordance with chapter 246 of the Acts of 1945 registration was held continuously at the central office from January 2 to September 5, inclusive, from September 26 to October 17, inclusive, and from November 7 to December 31, inclusive. Registration in wards was held on August 22, 23, 24, 27, 28, 29, 30, 31 and September 4 and 5 from 6 P.M. to 10 P.M., for the Preliminary City Election; and October 3, 4, 5, 8, 9, 10, 11, 15, 16 and 17 from 6 P.M. to 10 P.M. for the City Election. This registration was held in two places in different sections of each ward, ten nights in each place.

NUMBER OF VOTERS.

At the State Election held November 7, 1950, the number of voters on the list was 406,026. The number of such voters in the first list published by the Board August 15, 1951, was 362,357. From that time to the close of registration for the City Election there were

added the names of 25,650 voters. Included in this latter figure are the names of 10,010 voters who were omitted from the 1951 police listing and who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the City Election, held November 6, 1951, was 388,007, a decrease of 18,019 from the number on the list at the preceding State Election. The number of voters on final list December 31, 1951, was 388,143.

NOMINATION PAPERS, REFERENDUM AND RECOUNT PETITIONS.

A total of 140 candidates submitted 8,849 nomination papers on which 240,232 signatures were checked. Four candidates were certified for the office of Mayor, 65 candidates were certified for office of City Councillor and 36 candidates were certified for office of School Committeeman.

Petitions for a recount of the ballots cast for the office of City Councillor, both in the Preliminary City Election and in the City Election were filed in each of the twenty-two wards. On these the names of 2,640 voters were checked, making a total of 8,893 papers filed on which the names of 242,872 voters were certified.

RECOUNTS.

Petitions for a recount of the votes cast in every ward, for the office of City Councillor in the Preliminary City Election were filed and certified. The names of 65 candidates certified for this office were printed on the official ballot, eighteen of whom were nominated. There were 208,299 ballots and 1,326,115 votes cast for this office at this function. The recount had to be completed in adequate time to allow preparation for the City Election and printing of the official ballot. It was necessary for our Board to appeal to other city departments. Through the wholehearted cooperation of the executives and employees of these departments and their competent assistance the recount was completed and tabulated on October 13, 1951. The service of over 200 employees was used and the entire space of Collecting and part of Auditing offices was utilized.

Petitions were also filed for a recount in every ward of the votes cast for the office of City Councillor at the

City Election. At this function 238,156 ballots and 1,548,867 votes were cast. This recount was conducted within the office of the Board of Election Commissioners and by members of the office force of that department.

REVISION OF THE VOTING LIST.

The names of 4,292 voters were stricken from the voting list by reason of death, removal from the city and other causes.

JURORS.

The jury list prepared by the Board in 1951 contained the names of 9,725 voters of Boston. During the time covered by this report, 2,257 were drawn for jury service.

REGISTRATION OF THE PHYSICALLY DISABLED.

In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote but unable to appear at a registration office because of physical disability were examined for registration in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 12 such persons. Of that number, 11 were found to be qualified and were duly registered. No applications were received after the closing date established by law. Persons found qualified to register were furnished with applications for absentee ballots for the City Election.

SUPPLEMENTARY REGISTRATION OF SOLDIERS AND SAILORS.

Under the provisions of chapter 51, sections 50 and 51, of the General Laws, 6 persons in the military service were registered as voters in Boston during the period from the close of registration to the third day preceding the City Election.

Chapter 738 of the Acts of 1951 provides that every official absent voting war ballot for use at the regular municipal election in the city of Boston on the first Tuesday in November in the current year, which shall have been marked and mailed in accordance with law on or before said Tuesday by a person on active duty in the armed forces of the United States and qualified to vote at such election, shall, if received by the board of election commissioners of said city after the closing of the polls at said election, but before five o'clock in the afternoon of the third Friday of said November, be deemed to have been received by said board before the closing of the polls at said election, and, if otherwise in conformity with law be counted by said board as if so received.

There were nine ballots cast under the provisions of this chapter.

VOTING MACHINES.

The 1951 Preliminary City Election and City Election were conducted with four wards (Wards 1, 2, 3, and 4) completely equipped with voting machines, and voting machines were used in 76 other precincts throughout the city, in two or more precincts in every ward.

Assistant registrars were assigned to give demonstrations of machines in the evening in each ward. These demonstrations were held on September 17, 18 and 19, from 6 P. M. to 10 P. M. The public was notified as to the dates and locations through the newspapers.

Machines are maintained continuously for demonstration purposes in the main office, and this year for the first time a demonstration of a machine was conducted outside in front of the main building of City Hall, in which the public manifested an active interest.

All precinct officers were instructed in their respective duties by the voting machine custodians in the main office at City Hall.

Voting machines received a severe test in the new Plan A Preliminary Election and the results were most gratifying; returns were fast and accurate. Again in the final election the machine precincts performed well.

In line with the policy of the Board to extend machine voting where possible, nine more precincts were mechanized in 1951, bringing the total machine precincts to 118.

CITY CHARTER AMENDMENT.

Chapter 452 of the Acts of 1948 provided for the adoption by the voters of the City of Boston of three optional plans of city government known as Plan A, Plan D and Plan E.

Under the provisions of this chapter, the petition for the adoption of Plan A was the first petition filed and certified. This plan was submitted to and approved by the voters of Boston at the regular municipal election held on November 8, 1949.

Chapter 376 of the Acts of 1951, approved June 12th, which is an act amending and clarifying certain sections of Chapter 452 of the Acts of 1948, provides the form of government and method of nominating and electing officials thereunder which shall constitute and be known as Plan A under this act. This plan provides for the election of a mayor for the term of four years, nine members of the city council and five members of the school committee to be elected at large for a term of two years.

This plan also provides for a Preliminary City Election and the nomination thereof of two candidates for the office of mayor, eighteen candidates for the office of city councillor and ten candidates for the office of school committeeman.

Under this plan the nomination petition shall be signed in the case of a candidate for mayor, by at least three thousand registered voters of the city qualified to vote for such candidate at the preliminary election,

in the case of a candidate for city councillor by at least fifteen hundred registered voters of the city qualified to vote for such candidate at such election and in the case of a candidate for school committeeman, by at least two thousand registered voters of the city qualified to vote for such candidate at such election.
